

## T.E.A.C.H. Scholarships

*It is important to the Department of Children and Families that YoungStar training and technical assistance be accessible to providers.*

T.E.A.C.H. Scholarships are available for those who are eligible.

For more information about scholarship opportunities, and to request a scholarship application, contact:

UNIVERSITY of WISCONSIN  
**UWMILWAUKEE**

School of  
Continuing Education

**youngstar**   
Wisconsin's Child Care Rating Program

Start early. Start smart. Start here.

*Helping providers meet their goals, is key YoungStar and to improving care for Wisconsin children.*

## 2010 Fall Semester

### UW – Milwaukee Child Care Teacher Courses

The courses below provide college credit.

#### **ED POL 381—Introduction to Child Care**

Learn how to begin working effectively with young children, including those with special needs.

Topics include: child development, teaching and learning strategies, curriculum assessment as well as communication and collaboration skills.

*Face-to-Face: Tuesday evenings, 9/7-12/14, 6:00-8:45 p.m., UWM Children's Center*

#### **ED POL 383—Child Care Programming**

Study programming as it relates to the child's social milieu, family, community and child care center.

Topics include: comparing different programs and supporting theories, working with children and families of diverse races, cultures and languages as well as understanding family and community relationships.

*Online: 9/27-11/20*

#### **ED POL 302—Approaches to Adult & Child Relationships in the Child Care Setting**

Analyze communication and conflict resolution in adult-child relationships, especially teacher/child and parent-child relationships. Topics include: observing, documenting and assessing young children as well as evaluating children's progress and program quality.

*Online: 9/7-10/30*

#### **ED POL 416—Analysis of Child Care Environments**

Discover a variety of designs for child care settings. Topics include: understanding evaluation processes for environmental change, and using the environment as a part of teaching and learning.

*Online: 10/11-12/11 (no class week of 11/22)*

### UW - Milwaukee Child Care Teacher Courses

These 4 courses are intended to help teachers meet the educational requirements of YoungStar, the Department of Children and Families' new five-star quality rating and improvement system for child care in Wisconsin.

- Each course is 3 credits.
- Earn 6 credits to achieve a 3- or 4-star rating in YoungStar's education component.
- Registration deadline three weeks prior to the start of each class.
